

ActivePure – Getting Your People Back To Work

ActivePure is PROVEN to be The Most Effective option on the Market to kill SARS COV 2 (the virus that causes Covid-19), having received FDA Certified Clearance and is NASA Certified technology in the Space Museum Hall of Fame and is proven to eliminate over 99.99% of Airborne viruses in 3 minutes!

- We use Patented Technology that was developed for the NASA Space Program and is used in the International Space Station.
- Currently used in NASA, the Department of Defense, thousands of Schools, multiple State Capitols, and Major League Sport Teams, ESPN and millions of restaurants, businesses, and homes worldwide.

- We provide all the Lab Test results and is totally safe for humans and animals.
- Watch the Short Videos and Read it for yourself at <http://aspvollara.com> and <http://UrAwesomeEnergy.com>
- Other Companies use *ineffective* 'trap and zap' systems that involve UV lights and filtration that puts unnecessary installation costs and strain on HVAC systems, and according to a recent University of Florida lab testing leaves 60% of the viruses still floating in the air AFTER treatment!!
- **ActivePure eliminates over 99.99% of Airborne Viruses in 3 minutes and on Surfaces up to 3,000 sq ft – Air You Can Trust 24/7.**

Low Cost:

Each **ActivePure Air and Surface Pro** covers up to 3,000 sq ft, has a 3 year warranty, is portable, and easy to use – you just sit it down, plug it in, and turn it on! No installation, No repeated treatments, extremely low maintenance, and only \$1,499 per unit.
